

# Product Information Sheet

Material Safety Data Sheet (MSDS) also available

[www.revqlp.net](http://www.revqlp.net)

**Product** : SAE 20W-50 Motor Oil

**Part #** : R920 (1 L), R922 (4 L)

**Type** : SAE 20W-50

**Engine** : Gas

**Description** : Engine Oil

Meets or exceeds all OEM requirements.

## Problem Symptom

High quality base stocks and tough anti-wear and anti-friction additives protect your engine, suitable for use in 20W-50 Grade for Harley-Davidson.

## Performance

- This oil is made to meet or exceed the performance requirements of all American-made motorcycle engines
- Engineered with the most anti-wear / anti-friction additives available to protect the engine

## Application

Refer to owner's manual for engine specifications and fill capacities.

## Characteristics

- Its detergent / dispersant ingredients effectively clean harmful carbon deposits from all internal engine components
- This oil is formulated with shear resistant molecular hydrocarbons to cool and cushion bearing surfaces and provide oxidation stability to 500°F (260°C)

## Packaging

1L	12 bottles per case	72 cases per skid	25 Lbs. / Case
4 L	4 bottle per case	50 cases per skid	41 Lbs. / Case
205 L	Drum	4 drums per skid	435 Lbs. / Drum
